

Summer Wind Farms, LLC
Summer 2017 Community Supported Agriculture (CSA)
MEMBERSHIP REGISTRATION AND CONTRACT FORM

Please register me as a member of Summer Wind Farm's Community Supported Agriculture (CSA) program for the summer 2017 growing season.

I understand that farming is a seasonal and unpredictable business that may have unforeseen risks, and the exact selections and quantities included in the weekly harvest will change as the season moves forward. In joining the CSA, I understand and agree to share in the changes and variations normal in farming and that for reasons beyond the control of Summer Wind Farms LLC there may be failures of any or all crops.

I understand the vegetable CSA program will run approximately 22 weeks, starting late May/early June and lasting into October and the fruit share starts approximately July 1 and ends the same time for about 18 weeks. The Fall share begins at the end of the summer share and runs for 8 weeks.
