Summer Wind Farms, LLC
2020 Community Supported Agriculture (CSA)

Please register me as a member of Summer Wind Farm's Community Supported Agriculture (CSA) program for the summer 2020 growing season.
I understand that farming is a seasonal and unpredictable business that may have unforeseen risks, and the exact selections and quantities included in the weekly harvest will change as the season moves forward. In joining the CSA, I understand and agree to share in the changes and variations normal in farming and that for reasons beyond the control of Summer Wind Farms LLC there may be failures of any or all crops. CSA payments are non-refundable.
